ACE-PROCEDURAL SAFEGUARDS NONDISCRIMINATION ON THE BASIS OF HANDICAP/DISABILITY

The School District provides the following Notice of Procedural Safeguards to parents/guardians, and handicapped persons, as required by 34 C.F.R. Sections 104.7, 104.8, 104.22 (4) (f), and 104.36 of the Regulations implementing Section 504 Of the Rehabilitation Act of 1973.

The School District does not discriminate on the basis of handicap in admission or access to, or treatment or employment in, its programs and activities.

The School District provides a grievance procedure with appropriate due process rights. **Jane Johnson** is the designated employee, charged with coordinating efforts to comply with Section 504. The parent/guardian of handicapped students or any handicapped person may use the grievance procedure established by the School Board.

Grievance Procedure:

Parents/guardians of a student with a disability have the right to notify the above designated employee with their complaint. Additionally, any disabled individual also has the right to notify the above-designated employee with their complaint.

The designated employee will provide an initial response within ten (10) days of receipt of complaint. The parties will attempt to work out their differences informally in a prompt and equitable manner. A written record of the complaint should be made within ten (10) working days of completion. Both parties will receive a copy of the written record. Additionally, the Superintendent will keep a copy on file.

If the issue is not resolved after the informal resolution process, the complainant may request that the Board places this matter on its agenda. This request may be made through the Superintendent.

If the Board schedules the matter for a hearing, the complainant may be represented by any person the complainant chooses, including legal counsel. The complainant may present information through documents and other evidence and witnesses, and may examine witnesses presented by the School District.

Within ten (10) working days of either of the above adjudication options, a written record should be made of the decision. Both parties will receive a copy of the written record. Additionally, the Superintendent will keep a copy on file.

Procedural Safeguards

As required by 34 C.F.R. Section 104.36, parents/guardians of a student who needs or is believed to need special instruction and related services have the right with respect to any action regarding identification, evaluation, and placement to:

1. Notice of referral/identification, evaluation, and placement process, with appropriate consent form.

JH-ATTENDANCE, ABSENTEEISM AND TRUANCY

Absences

The Board requires that school-aged children enrolled in the District attend school in accordance with all applicable state laws and Board policies. The educational program offered by the District is predicated upon the presence of the student and requires continuity of instruction and classroom participation in order for students to achieve academic standards and consistent educational progress.

Attendance shall be required of all students enrolled in the District during the days and hours that school is in session, except that the Principal may excuse a student for temporary absences when receiving satisfactory evidence of conditions or reasons that may reasonably cause the student's absence.

The Board considers the following to be excused absences:

1. Illness
2. Recovery from an accident
3. Required court attendance
4. Medical and dental appointments
5. Death in the immediate family
6. Observation or celebration of a bona fide religious holiday
7. Such other good cause as may be acceptable to the Principal or permitted by law

Any absence that has not been excused for any of these reasons will be considered an unexcused absence.

In the event of an illness, parents must call the school and inform the District of the student's illness and absence. For other absences, parents must provide written notice or a written excuse that states one of these reasons for non-attendance. The Principal may require parents to provide additional documentation in support of their written notice, including but not limited to doctor's notes, court documents, obituaries, or other documents supporting the claimed reason for non-attendance.

If parents wish for their child to be absent for a reason not listed above, the parent must provide a written explanation of the reason for such absence, including why the student will be absent and for how long the student will be absent. The Principal will make a determination as to whether the stated reason for the student's absence constitutes good cause and will notify the parents via telephone and writing of his/her decision. If the Principal determines that good cause does not exist, the parents may request a conference with the Principal to again explain the reasons for non-attendance. The Principal may then reconsider his initial determination. However, at this juncture, the Principal's decision shall be final.

Family Vacations/Educational Opportunities

Generally, absences other than for illness during the school year are discouraged. The school principal or his/her designee may, however, grant special approval of absence for family vacations, provided written approval is given in advance. Parents are asked to write a note to their child's teacher at least two weeks before the trip. This advance planning will allow the teacher enough time to work with parents and the student regarding homework completion.

Truancy

Truancy is defined as any unexcused absence from class or school. Any absence that has not been excused for any of the reasons listed above will be considered an unexcused absence.

Ten half-days of unexcused absence during a school year constitutes habitual truancy.

A half-day absence is defined as a student missing more two hours of instructional time and less than three and one-half hours of instructional time.

Any absence of more than three and one-half hours of instructional time shall be considered a full-day absence.

The Principal or Truant Officer is hereby designated as the District employee responsible for overseeing truancy issues.

Intervention Process to Address Truancy

The Principal shall ensure that the administrative guidelines on attendance properly address the matter of truancy by including a process that identifies students who are habitually truant, as defined above.

When the Principal identifies a student who is habitually truant or who is in danger of becoming habitually truant, he/she shall commence an intervention with the student, the student's parents, and other staff members as may be deemed necessary. The intervention shall include processes including, but not limited to:

1. Investigates the cause(s) of the student's truant behavior;
2. Considers, when appropriate, modification of his/her educational program to meet particular needs that may be causing the truancy;
3. Involves the parents in the development of a plan designed to reduce the truancy;
4. Seeks alternative disciplinary measures, but still retains the right to impose discipline in accordance with the District's policies and administrative guidelines on student discipline;

Parental Involvement in Truancy Intervention

When a student reaches habitual truancy status or is in danger of reaching habitual truancy status, the Principal will send the student's parent a letter which includes:

1. A statement that the student has become or is in danger of becoming habitually truant;
2. A statement of the parent's responsibility to ensure that the student attends school; and
3. A request for a meeting between the parents and the Principal to discuss the student's truancy and to develop a plan for reducing the student's truancy.

Developing and Coordinating Strategies for Truancy Reduction

The Board encourages the administration to seek truancy-prevention and truancy-reduction strategies along the recommendations listed below. However, these guidelines shall be advisory only. The Superintendent is authorized to develop and utilize other means, guidelines and programs aimed at

preventing and reducing truancy.

1. Coordinate truancy-prevention strategies based on the early identification of truancy, such as prompt notification of absences to parents.
2. Assist school staff to develop site attendance plans by providing development strategies, resources, and referral procedures.
3. Encourage and coordinate the adoption of attendance-incentive programs at school sites and in individual classrooms that reward and celebrate good attendance and significant improvements in attendance.

Parental Notification of Truancy Policy

Prior to adopting this policy, the Board will place the item on the agenda of a public school board meeting and will allow two weeks for public input as to the policy's provisions. Any public input shall be advisory only and final adoption as to the policy's provisions will remain solely with the Board.

Additionally, the Superintendent shall also ensure that this policy is included in or referenced in the student handbook and is mailed to parents annually at the beginning of each school year.

JICD-STUDENT DISCIPLINE AND DUE PROCESS

At all times, students are required to conduct themselves in accordance with behavioral standards set forth in Policy JIC and all other applicable Board policies and all District or school rules. Failure to comply can lead to disciplinary consequences as set forth in this policy and applicable law.

A. Disciplinary Measures – "Definitions".

Disciplinary measures include, but are not limited to, removal from the classroom, detention, in-school suspension, out-of-school suspension, restriction from activities, probation, and expulsion.

1. "Removal from the classroom" means a student is sent to the building Principal's office. It is within the discretion of the person in charge of the classroom to remove the student.
2. "Detention" means the student's presence is required for disciplinary purposes before or after the hours when the student is assigned to be in class. The building Principal is authorized to establish guidelines or protocol for when detention shall be served (either before school or after school). Whether a student will serve detention, and the length of the detention, is within the discretion of the licensed employee disciplining the student or the building Principal.

3. "In-school suspension" means the student will attend school but will be temporarily isolated from one or more classes while under supervision. An in-school suspension will not exceed ten (10) consecutive school days.
4. "Out-of-school suspension" means the temporary denial of a student's attendance at school for a specific period of time for gross misconduct, for neglect, or refusal to conform to school rules or policies.
 - a. "Short-term suspension" means a suspension of ten (10) school days or less. Ed 317.04(a)(1).
 - b. "Long-term suspension" means the continuation of a short-term suspension under RSA 193:13, I (b)-(c), and also means a suspension in excess of ten (10) school days under Ed 317.04(a)(2).
5. "Restriction from school activities" means a student will attend school, classes, and practice but will not participate in other school extra-curricular activities, including competitions.
6. "Probation" means a student is given a conditional suspension of a penalty for a definite period of time in addition to being reprimanded. The conditional suspension will mean the student must meet the conditions and terms for the suspension of the penalty. Failure of the student to meet these conditions and terms will result in immediate reinstatement of the penalty.
7. "Expulsion" means the permanent denial of a pupil's attendance at school for any of the reasons listed in RSA 193:13, II and III.

B. Standards for Removal from Classroom and Detention.

Students may be removed from the classroom at the classroom teacher's discretion if the student refuses to obey the teacher's directives, becomes disruptive, fails to abide by school rules or policies, or otherwise impedes the educational purpose of the class.

Likewise, classroom teachers may assign students to detention for similar conduct.

The building Principal may assign students to detention under the same standard.

C. Standards for In-School Suspension, Restriction of Activities, and Probation.

The building Principal is authorized to issue in-school suspensions, restrictions of activities, or place a student on probation for any failure to conform to school or School District policies or rules, or for any conduct that causes material or substantial disruption to the school environment, interferes with the rights of others, presents a threat to the health and safety of students, employees, and visitors, is otherwise inappropriate, or is prohibited by law.

Restriction of activities may also be issued pursuant to rules or policies pertaining to specific clubs or teams.

D. Process for Out-of-School Suspension.

The power of suspension is authorized for gross misconduct, for neglect, or refusal to conform to School District policies and rules as follows:

1. **Short-term Suspensions.**

The building Principal (as designee of the Superintendent) is authorized to suspend a student for ten (10) school days or less. The Principal shall consult with the Superintendent prior to issuing any suspension.

As required by RSA 193:13(a), educational assignments shall be made available to the suspended pupil during the period of suspension.

Due process standards for short-term suspensions (ten (10) days or less) will adhere to the requirements of Ed 317.04(f)(1).

2. Long-term Suspensions.

The Superintendent is authorized to continue the suspension and issue a long-term suspension of a pupil for a period in excess of ten (10) school days, provided only that if the Superintendent issued the original short-term suspension, then the School Board may designate another person to continue the short-term suspension and issue the long-term suspension.

Prior to a long-term suspension, the student will be afforded an informal hearing on the matter. The informal hearing need not rise to the level and protocol of a formal hearing before the School Board, but the process must comply with the requirements of Ed 317.04 (f)(2) and Ed 317.04 (f)(3)(g), including, without limitation, the requirements for advance notice and a written decision.

Any suspension in excess of ten (10) school days, as described in Paragraph 2 of this Section, is appealable to the School Board, provided the Superintendent receives the appeal in writing within ten (10) days after the issuance of the Superintendent's decision described in Paragraph 2. Any suspension in excess of ten (10) school days shall remain in effect while this appeal is pending.

E. Process for Expulsion.

1. Any pupil may be expelled by the School Board for (a) an act of theft, destruction, or violence as defined in RSA Chapter 193-D, (b) for possession of a pellet paint ball gun or BB gun or rifle as provided by RSA 193:13, II, or (c) for gross misconduct, or for neglect or refusal to conform to the reasonable rules of the school. An expulsion under this paragraph will run until the School Board restores the student's permission to attend school. A student seeking restoration of permission to attend school shall file a written request with the Superintendent which details the basis for the request. The Board will determine whether and in what manner it will consider any such request.
2. Additionally, any pupil may be expelled by the School Board for bringing or possessing a firearm as defined in Section 921 U.S.C. Title 18 in a safe school zone, as defined in RSA 193-D:1, unless such pupil has written authorization from the Superintendent. Any expulsion under this provision shall be for a period of not less than twelve (12) months.
3. Prior to any expulsion, the District will ensure that the due process standards set forth in Ed 317.04(f)(3) are followed.
4. Any decision by the Board to expel a student may be appealed to the State Board of Education.
5. The Superintendent of Schools is authorized to modify the expulsion or suspension requirements of Sections E.1 and E.2 above on a case-by-case basis.

F. Sub-committee of Board.

For purposes of sections D and E of this policy, "Board" or "School Board" may either be a quorum of the full Board, or a subcommittee of the Board duly authorized by the School Board.

G. Disciplinary Removal of Students with Disabilities.

If a student is disabled under the Individuals with Disabilities Act (IDEA), the New Hampshire RSA 186-C, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act, or any other law providing special rights to disabled students, those laws shall govern and shall supersede these local policies to the extent these local policies are inconsistent with those laws. Accordingly, any suspension or expulsion of a child with a disability as defined in Ed 1102.01(t) shall be in accordance with Ed 1124.01.

H. Notice.

This policy and school rules which inform the student body of the content of RSA 193:13 shall be printed in the student handbook and made available on the District's website to students, parents, and guardians. The Principal or designated building administrator shall also inform the student body concerning this policy and school rules which address the content of RSA 193:13 through appropriate means, which may include posting and announcements. Process To Protect Pupils From Retaliation

If the alleged victim or any witness expresses to the Principal or other staff member that he/she believes he/she may be retaliated against, the Principal shall develop a process or plan to protect that student from possible retaliation.

Each process or plan may be developed on a case-by-case basis. Suggestions include, but are not limited to, re-arranging student class schedules to minimize their contact, stern warnings to alleged perpetrators, temporary removal of privileges, or other means necessary to protected against possible retaliation.

IV. Protection of all Pupils (RSA 193-F:4, II(c))

This policy shall apply to all pupils and school-aged persons on school district grounds and participating in school district functions, regardless of whether or not such pupil or school-aged person is a student within the District.

V. Disciplinary Consequences For Violations of This Policy_(RSA 193-F:4, II(d))

The district reserves the right to impose disciplinary measures against any student who commits an act of bullying, falsely accuses another student of bullying, or who retaliates against any student or witness who provides information about an act of bullying.

In addition to imposing discipline under such circumstances, the board encourages the administration and school district staff to seek alternatives to traditional discipline, including but not limited to early intervention measures, alternative dispute resolution, conflict resolution and other similar measures.

VI. Distribution and Notice of This Policy (RSA 193-F:4, II(e))

Staff and Volunteers

Students

All students will be provided with a copy of this policy annually. The Superintendent may determine the method of providing the policy (student handbook, mailing, hard copy, etc.)

Students will participate in an annual age-appropriate education program which sets out expectations for student behavior and emphasizes an understanding of harassment, intimidation, and bullying of students, the District's prohibition of such conduct and the reasons why the conduct is destructive, unacceptable, and will lead to discipline. Students shall also be informed of the consequences of bullying conduct

toward their peers.

The Superintendent, in consultation with staff, may incorporate student anti-bullying training and education into the district's curriculum, but shall not be required to do so.

Parents

All parents will be provided with a copy of this policy annually. The Superintendent may determine the method of providing the policy (parent handbook, mailing, etc.). Parents will be informed of the program and the means for students to report bullying acts toward them or other students. They will also be told that to help prevent bullying at school they should:

The appeal shall be in writing addressed to the Superintendent, shall state the reason(s) why the appealing party is aggrieved, and the nature of the relief they seek. The Superintendent shall not be required to re-investigate the matter and shall conduct such review as he/she deems appropriate under the circumstances.

It is in the best interests of students, families and the District that these matters be promptly resolved. Therefore, any such appeal to the Superintendent shall be made within ten (10) calendar days of the parent/guardian's receipt of the investigative determination letter of the principal or his/her designee. The Superintendent shall issue his/her decision in writing.

If the parent or guardian is aggrieved by the decision of the Superintendent, they may appeal the decision to the school board within ten (10) calendar days of the date of the parent/guardian's receipt of the Superintendent's decision. An appeal to the Superintendent shall be a prerequisite to any appeal to the School Board. The Superintendent is authorized to contact the District's attorney for a full legal opinion relative in the event of such an occurrence.

JRA- STUDENT RECORDS AND ACCESS – FERPA

General Statement - It is the policy of the School Board that all school district personnel will follow the procedures outlined herein as they pertain to the maintenance of student records. Furthermore, it is the policy of the School Board that all school district personnel will follow the provisions of the Family Educational Rights Privacy Act (FERPA) and its corresponding regulations.

Education Record - For the purposes of this policy and in accordance with FERPA, the term “educational record” is defined as all records, files, documents and other material containing information directly related to a student; and maintained by the school district; or by such other agents as may be acting for the school district. Such records include, but are not limited to, handwriting, videotape, audiotape, electronic or computer files, film, print, microfilm and/or microfiche.

Directory Information - For the purposes of this policy, and in accordance with the provisions of FERPA and New Hampshire RSA 189:1-e, the term “directory information” means:

- Students' name, address, telephone number, date and place of birth, dates of enrollment
- Parents'/guardians' name and address
- Students' grade level, enrollment status and dates of attendance
- Students' photograph
- Students' participation in recognized school activities and sports
- Weight and height of members of athletic teams
- Students' diplomas, certificates, awards and honors received

The District may release or disclose student directory information without prior consent of the student's parents/eligible students. Within the first three weeks of each school year, the District will provide notice to parents/eligible students that the District may publish directory information without their prior consent. Parents/eligible students will be given until **October 15** to notify the District in writing of any or all directory information items that they refuse to permit the District to release or disclose. Notice from a parent/eligible student that any or all direction information shall not be released will only be valid for that school year and must be re-issued each school year.

Personally Identifiable Information - "Personally identifiable information" is defined as data or information which makes the subject of a record known, including a student's name the student's or student's family's address; the name of the student's parent or other family members; a personal identifier such as a student's Social Security number; the student's date of birth, place of birth, or mother's maiden name; or other information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with a reasonable certainty or information requested by a person who the District reasonably believes knows the identity of the student to whom the education record relates.

Annual Notification/Rights of Parents and Eligible Students - Within the first 4 weeks of each school year (Superintendent to determine; NHSBA recommends three or four), the District will publish notice to parents and eligible students of their rights under State and Federal law and this policy. The District will send home with each student a notice listing these rights. The notice will include:

- (1) The rights of parents or eligible students to inspect and review the student's education records;
- (2) The intent of the District to limit the disclosure of information in a student's record, except:
 - (a) by the prior written consent of the parent or eligible student;
 - (b) as directory information; or
 - (c) under certain, limited circumstance, as permitted by law;
- (3) The right of a student's parents or an eligible student to seek to correct parts of the student's educational records which he/she believes to be inaccurate, misleading, or in violation of student rights; this includes a hearing to present evidence that the records should be changed if the District decides not to alter them according to the parent's or eligible student's request;
- (4) The right of any person to file a complaint with the United States Department of Education if the District violates FERPA; and
- (5) The procedure that a student's parents or an eligible student should follow to obtain copies of this policy.

Procedure To Inspect Education Records - Parents or eligible students may inspect and review education records which they are entitled to. In some circumstances, it may be more convenient for the

record custodian to provide copies of records.

Since a student's records may be maintained in several locations, the school principal may offer to collect copies of records or the records themselves from locations other than a student's school, so that they may be inspected at one site. If parents and eligible students wish to inspect records where they are maintained, school principals will determine if a review at that site is reasonable.

Parents/eligible students should submit to the school principal a written request that identifies as precisely as possible the record or records that he/she wishes to inspect. The principal will contact the parents or the eligible student to discuss how access is best arranged for their inspection or review of the records (copies, records brought to a single site, etc.).

The principal will make the needed arrangements as soon as possible and notify the parent or eligible student of the time and place where the records may be inspected. This procedure must be completed within 30 days or earlier after the principal's receipt of the request for access.

If for any valid reason such as working hours, distance between record location sites or health, a parent or eligible student cannot personally inspect and review a student's education records, the principal may arrange for the parent or eligible student to obtain copies of the records.

When records contain information about students other than a parent's child or the eligible student, the parent or eligible student may not inspect and review the records of the other students. If such records do contain the names of other students, the principal will seek consultation with the Superintendent and/or the District's attorney to determine how best to proceed.

Procedures To Seek To Correction of Education Records - Parents of students or eligible students have a right to seek to change any part of the student's records which they believe is inaccurate, misleading or in violation of student rights. To establish an orderly process to review and correct the education records for a requester, following processes are established.

1. First-level decision. When a parent or eligible student finds an item in the student's education records that he/she believes is inaccurate, misleading or in violation of student rights, he/she should submit a written request asking the building principal to correct it. If the records are incorrect because of clear error and it is a simple matter to make the change, the principal should make the correction. If the records are changed to the parent's/eligible student's satisfaction, both parties shall sign a document/form stating the date the records were changed and that the parent/eligible student is satisfied with the correction.

If the principal believes that the record should not be changed, he/she shall:

1. Provide the requester a copy of the questioned records at no cost;
2. Ask the parent/eligible student to initiate a written request for the change, which will be forwarded to the Superintendent;
3. Forward the written request to the Superintendent; and
4. Inform the parents/eligible student that the matter has been forwarded to the Superintendent for subsequent processing.

2. Second-level decision. If the parent/eligible student wishes to challenge the principal's decision to not change the student record, he/she may appeal the matter to the Superintendent. The parent/eligible student shall submit a written request to the principal asking that the matter be appealed to the Superintendent. The principal will forward to the Superintendent the request. The Superintendent shall, within ten business days after receiving notification of the request:
