

PUBLIC COMPLAINTS

The Board believes that complaints and grievances from the public are best handled and resolved by the parties directly concerned. Therefore, the proper channeling of complaints involving instruction, discipline or learning materials will be as follows:

1. Teacher
2. Principal
3. Superintendent
4. School Board

The Board will not hear complaints from individuals until such complaints have first been brought forth through the appropriate and applicable administrative channels. Exceptions to this provision are for complaints that relate solely to Board actions or Board operations.
