It is the Board's intent to remove barriers to the identification, enrollment and retention in schools of homeless children and youth. All staff shall take reasonable steps to ensure that homeless students and children are not segregated or stigmatized and that educational decisions are made in the best interests of those students.

A. Homeless Students.

Under the federal McKinney-Vento Homeless Assistance Act (“McKinney-Vento”), and guidance provided by the New Hampshire Department of Education (“NHDOE”), the term “homeless children and youths” means “individuals who lack a fixed, regular and adequate nighttime residence.” Under both section 752(2) of McKinney-Vento and the NHDOE guidance, the term includes children and youth who are:

7. Migratory children who qualify as homeless because they are living in conditions described in previous above.

Additionally, as used in this policy, the terms “unaccompanied youth,” “school of origin,” “enrollment,” and “attendance area school” shall have the same meanings as set forth in the McKinney-Vento Homeless Assistance Act (“McKinney-Vento”) and guidance provided by the New Hampshire Department of Education (“NHDOE”). For purposes of this policy and its accompanying regulation, “students who are homeless” shall refer to and include “homeless children and youth” and “unaccompanied youth.”

Each student who is homeless shall have access to and shall be provided education services for which the student is eligible comparable to services provided to other students in the school, including career and technical education programs, gifted education programs, and school nutrition programs. Transportation services for students who are homeless shall be provided in accordance with applicable law and as generally described below.

B. Enrollment and School Stability.

Enrollment of a student who is homeless shall be immediate even if the student lacks records routinely required prior to enrollment or has missed application or enrollment deadlines (academic, immunization, etc.). The District shall make arrangements to obtain any necessary records and to have the student receive any necessary immunizations. When feasible, the District shall seek immunization through no- or low-cost health care

providers. If an expense is incurred, the District shall seek reimbursement through Medicaid if possible.

If a student who is homeless becomes permanently housed outside the district during the school year, the student will remain eligible for all supports and services but may only continue enrollment in the District for the remainder of that school year.

C. Homeless Liaison.

The Superintendent shall appoint a staff member to serve as the local liaison for students who are homeless and their families/guardians (the “Homeless Liaison”). E. Transportation of Homeless Students.

Under McKinney-Vento, homeless students are entitled to transportation to their school of origin or the school where they are to be enrolled. If the student who is homeless is located outside of District boundaries, but a determination has been made that the student shall remain in the school of origin within the District, or, if a student who is homeless is located within this District, but a determination had been made that the student shall remain in the school of origin outside of the District, then the two Districts shall agree on a method to apportion cost and responsibility for the student's transportation or share the cost and responsibility equally.

F. Dispute Resolution.

District personnel receiving enrollment requests or information pertaining to students who are homeless should immediately refer those requests to the District Homeless Liaison and Superintendent's office.

In the event of a dispute, the District shall immediately enroll the student in the school in which the parent/guardian or unaccompanied youth seeks to enroll, which enrollment shall continue pending resolution of the dispute. Additionally, while enrollment disputes are pending, students have the right to participate fully in school and receive all services for which they would be eligible, as the definition of enrollment includes "attending classes and participating fully in school activities."

1. Notification of Appeal Process.

If the District seeks to place a child who is homeless in a school other than the school of origin or the school requested by the parent, or the District has determined that the living situation does not qualify as homeless ("eligibility decision"), the District shall inform the parent or the unaccompanied youth of the right to appeal.
