Mary shared a document showing the numbers with “what ifs” comparing ADM and equalized values. It will never be “fair” due to the equalized values. There are options to adjust the numbers.

A comparison chart was shown with other cooperative districts’ numbers. Discussion around this information.

Discussion around tuition options.

General discussion of options to be presented to the board.

Consideration of going to Selectmen meetings, but JP made it clear at the previous meeting that this is a school board issue. We have invited the Deering selectboard to both meetings and they have not attended or responded.

We will visit these topics at the school board meetings. We want to keep this as a discussion option. This is an important topic around budget and warrant article season. Considering having a decision by October. “Budget season” will be moving up.

We will reach out again to the Deering Selectboard to invite them. We want to be transparent and inclusive. We are willing to come back to the table if they’re interested in meeting.

Adjourned at 7:45.
